1. **ADMISSIONS**
   - Admission can be completed in person in room 1104-B1 or on-line by going to http://seattlecentral.org/admissions/.
   - Acceptance to Seattle Central College does *not* guarantee entrance into AD&D. To ensure the application process to AD&D is complete, you must follow each of the four steps to be on the approved list.

2. **ACADEMIC REQUIREMENTS**
   - Students must show that they are ready to take College Composition (English 101) and Algebra (MAT 087) by either taking the **EDSP and MDSP placement tests for Admissions**, or **providing transcripts** from any previously attended accredited institution(s).
